DISAPPEARED WITHOUT A TRACE

Everyone knows Dr. Watson is Sherlock Holmes's right-hand man, so when he goes missing, it's a shock. Even Sherlock hasn't the slightest clue as to where he could be. Enola is intrigued but wary; she's still hiding from her older brothers, and getting involved could prove to be disastrous. But Enola can't help but investigate, especially when she learns that a bizarre bouquet--with flowers all symbolizing death--has been delivered to the Watson residence. Enola knows she must act quickly, but can she find Dr. Watson in time?

"The mystery is intriguing, and Enola's cleverness and capability will appeal to readers who like their heroines both sprightly and savvy. Moreover, Sherlock." — *School Library Journal*, starred review
